

# Time Capsule

## 2072

A time capsule has been created to reflect life in the present, the year 2022. Citizens can write and submit a letter and/or item for display at City Hall.

The letter you write can be anything; fun facts, memories and events or leave a personal message to family and friends. Feel free to share a photo to go along with your message. The item you share can be anything familiar to 2022, appropriate in size and proper for display.

You will receive a certificate for the placement of your letter and/or item.

All entries become the sole property of the City of Gaylord. The City reserves the right to decide which items will be on display in the time capsule.
